

All vendor spaces are **10' X 10'** unless otherwise selected. If using a canopy, please bring weights to tie your tent down in case of high winds or storms. The **Zephyrhills Fire Marshal Vendor Checklist** is included with this application and is yours to keep. It is **your responsibility** to be in compliance with those requirements. All Main Street events are inspected by the Fire Marshal.

Electrical sources may be provided (15-amp, ample for powering light sources). There are a **limited** number of spaces with electrical access so these spaces are available on a first come, first served basis. Vendors requiring more than 15 amps **must** supply their own power source
